

Building Use Policy

The purpose of Indiana Ave Baptist Church is to Glorify God, Grow Believers, and Reach People. The use of church facilities is limited to events that will **not detract** from that purpose. Events held at IABC may vary in purpose and content, but all must appreciate, understand, and respect the message and ministry of Christ.

The needs of IABC ministries will always take precedence over non-ministry and individual events. Building Use is on a first-come, first-served basis. Approved and confirmed events will only be moved or canceled in rare and exceptional cases.
