Helping Others

Bone Marrow Donor
Would you prayerfully consider being a bone marrow donor? The recipient, ErickaAnn, has terminal Aplastic Anemia and grew up at IABC in the 2000s. The chances of being a match are extremely slim. The more people who are tested, the more likely of a match. If you are a match, this will be life-saving.

Sunday, May 4, there will be a table with info and swab kits in the Alcove to see if you are a match. Potential donors need to be between 18 and 40 years of age.
