About Our Church

We are located in a high-growth area of South Lubbock at 98th Street and Indiana Avenue. The church owns a significant amount of land for future expansion. Every week, more than 2,000 people gather across seven different services, making it a vibrant church. We are committed to fostering deep community roots through outreach initiatives designed to engage our neighbors and support the local student population.

- **Community Events:** IABC provides opportunities to connect with the community through activities such as Vacation Bible School, Kids' Day Out, Weekday Preschool, July 4th Celebrations, and Trunk-or-Treat, which provides a welcoming environment for local families.
- **Campus Outreach:** Assisting university students during dorm move-in, providing discipleship training, serving meals at three Sunday night worship services, and opening our homes for college community groups allows us to share our mission and invest in the next generation of leaders.
- **Strategic Growth:** Leveraging our geographic position within a thriving region to ensure our facilities and programs evolve alongside the city's expansion.
