Joshua and Caleb

—Based on Numbers 13–14

God promised the people of Israel a new home in Canaan. God told Moses to choose 12 men to go look at the land. Joshua and Caleb were 2 of the men.

The 12 men traveled into Canaan and looked at many towns. The men also gathered fruit from the land like Moses told them to. They found grapes, pomegranates, and figs.

The 12 men were gone for 40 days, then they reported back to Moses and the people. "We looked at the land, and it is good for growing food." The men showed the people the fruit they gathered.

Some men said, "The people who live in Canaan are tall and strong. We felt small when we looked at them; we felt like grasshoppers. The towns have tall walls around them."

Caleb stopped the men and said, "We should go and take the land. We can do it."

The people were scared. Joshua and Caleb said, "The land is a good place to live. God wants us to go. He will give us the land. Do not be afraid of the people who live there. God is with us and will help us. We should choose to obey Him."
