Elijah on Mount Carmel

—Based on 1 Kings 18:1-39

God spoke to His prophet Elijah. God said, "Go and tell King Ahab I will send rain."

When Ahab saw Elijah, Elijah told him that he and his men disobeyed God by worshiping false gods. Ahab called the people to meet at Mount Carmel.

When they were all at Mount Carmel, Elijah said, "I follow God. Let us see who the one true God is. We will each build a special place called an altar to burn wood and an offering to God. You will call on your god, and I will call on my God. The God who sends fire to burn the wood is the one true God."

The people who worshiped false gods danced and called on their god all day, but there was no fire.

Elijah built his altar and dug a place for water around it. He had people pour water on the wood three times. The altar and the ground were filled with water.

Elijah prayed to God. He asked God to show the people that He is the one true God. God sent fire that burned up the offering, the wood, and the altar.

When everyone saw that God sent fire, they fell on their faces and said, "The Lord, He is God."
